

IS YOUR CHURCH DECLINING?

Is your membership falling from year to year?

Many churches have aging congregations and as people going into retirement homes and no longer able to attend church, member slowly declines.

Is there anything we can do about it?

I have thought about this, because the church I go to has now got below 40 people and the prognosis isn't good. I sought the Lord, and the result is my book:

WHY IS YOUR CHURCH DYING?

I meant it as a short article, but there was a flow in my writing, and it grew into an interesting book.

Have a read of it!

You can find it on Amazon Kindle for **99c** US.
